

### REMARKS

Applicants have canceled the rejected claims and reserve the right to proceed with these claims in a continuation application. The Examiner indicated that claims 6-17, 20-24, 29-38, 44-45, 58-62, 67-76, 82-93, 96-100 and 105-114 would be allowable if rewritten in independent form. Applicants have amended these claims so that all allowable claims are in independent form or depend from an allowable claim in independent form. Applicants have also amended claims 29-38 to take them outside of the scope of 35 U.S.C. §112, paragraph 6. Applicants assert that all pending claims are now in condition for allowance. The Examiner's early consideration and notice of allowance are respectfully requested.

The Patent Office is authorized to charge any additional fees required by this amendment to Account Number 07-1896.

If the Examiner has any questions, the Examiner is invited to contact Applicant's attorney at the following address or telephone number:
